Chapter 20 1st MOON PHASE
2nd moon desaending
SPYKILLS 14

The numbers are toolarge.

SPYKILLS are necessary!

The political pressure generated by key-personnel eliminated would accelerate and eiffect the revolution to absolute democracy, **SPYKILL KEY-PERSONNEL!**

Vircingetoris would stort with catpussy cat wildcat.

Finally getting leads on her whereabouts in the expardedrealm of AC we suspect similar plasto-therapy techisiques. Then she could play on-the-side weth the clonebackup holding her previous position.

However you can't just eliminatebodies from the 24hr derfencesystemcrew!

With key-suspect locations known and satelliterelaysystem AC doesn'tmatter Vircingetoris can and did follow.

His idea is to drop-out-of-public-life and from his removed unknown position (he did not know it at the time) do SPYKILLS!

The Geniatrics are once again together :

Geniatric 1: So we've got the lead that she is posing as

Four separate characters?

Geniatric 2: Yes, and we're not quite sure which are so we suggest all four and pr2nd.

Geniatric 3: We've got, we did our best to reduce the number,

4 SPYKILIS to slow the true solidated hard of justice.

Wildcat is not considered a SPYKILL.

Vircingetoris decides to-go-out-for-one-night and day to meet these Four AKA's of wildcat. If one alerts then there will be a nice chase. That is, of course if she could alert before being *spykilled*

!!!

Vircingetoris in his manliness can attract many woman.

She responds with a field distortion anti-grav pull by raising her right hand. It makes a whipping sound and blasts two bolts into Vircingetoris, who is knocked back.

Sufficient armor for sufficient measure suffices. He rolls into attack grab, pull, claw, overbear.

She pussycat wildcat jumps-out-of-the-snatch and flexing her hand snaps open handblades. She slashes broad strokes at him who like the cat can dodge attacks.

Vircingetoris hits the electric current button on his belt and whips-it-out of the smooth-

plasticstrops. This is launched toward her and she is knockedback by 10 meters down-the-hall. This belttrick usually gets them.

She slagggers up, 'But vircybabey thank you. A bit of a sharp aftertaste but not bod.' She slam the pavement with her hard; a sonicboom is affectvated outwards by hier psychiccapabilities

Presently lo_rth are still blocking each other's mindread though thisblow smashes him back into-the-wall. He gets up quickly.

Vircingetoris Shouts, 'You can't keepblasting me...'

'O yes I can, here is another...'

Vircungetoris hits his antigravbelt while jumping⁻ and-forward .

The twomoreelectricitydischarges crash into the stalepicture on the wall.

⚡ Flying ⚡ over the attack hegrabs her with two outstretchedforwardarms.

They starefiercely into each other's eyes.

Vircingetoris passionately kisses her lovishly

How could he kill a pussycat? No, though with theneedlefingerpin on the neck he forces an emission from her and he could catch himself a wildcat.

Getting the info he needs he races off to the next first SPYKILL in awhile.
